LA ENCINA

Good luck in the coming years See ya, Rolly

Mark, there's not much to write that you don't already know but here goes Best of Luck (a rich I do mean.) Have fun this summer. Hope you have lots of wipe the sand off with Love, Dapkins

P.S. Mark Yaw a real Charlie Drew enjoyed knowing you Hope to see you during the summer Best of Luck next year.

Mark, This is my last year to Lucky with you. Good Luck in the future. Hope you have a great summer and the best of luck next year in Junior High Love Ann

- Mark - To a real nice guy. Good Luck in the future. Hope to see you next year. Always Lorna

"Lemonard" go a great great kid. Good luck Marilyn

Mark - Good luck + a real cool guy - Have fun Tomo. Carl Humphreys

Mark Cuba

Mark,
Best of luck
in the future
and always
remember
to stay out
of trouble
Your friends
Dennis Lopez

Mark
Good luck
in high school
be good and
stay out of
trouble
Thor

Mark
Good luck in the
future and always
remember to stay
out of trouble
Your friends
Dennis Lopez

Mark,
Best of luck
in the future
and always
remember to
stay out of
trouble
Your friends
Dennis Lopez

Mark
To a real
nice guy who
lives up the street.
Have fun this summer
Love
Joan

Mark -
Best of luck
Year - Hope to see
you next year.
Always
Madeline

Mark -
To a real good
guy with good luck
for the next few
years in the
Air Force.
Mike

Mark -
To a nice guy.
Have fun this
summer.
Lynette

Mark,
Well I guess
you're a Junior
now - good
show
Have fun
this summer.
Bye!
Joann

Mark
It's been fun working with you this summer. Have a good year and good luck in the future.
Always,
Virginia Rhodes

LA ENCINA
1965

- mark - it was really fun having you in algebra. would miss you next year. have a great summer. keep cool

Mark. You are a high neat guy. Hope to see ya next year. Good Luck. Sharon Bowling 67

FOREWORD

The 124 pages included in this year's La Encina proudly record the activities at Live Oak, stressing its educational program, its beauty and charm, and the natural splendors which surround this unique campus.

Live Oak High School is centrally located in the city of Morgan Hill, a small community with picturesque country scenes surrounded by the Coast Range Mountains. The twenty-three acre school plant with its 850 pupil enrollment offers an outstanding curriculum, training our students to meet the academic and vocational standards for the past 61 years.

Morgan Hill, a city with a population a little over 4,000, is basically agrarian, specializing in growing varieties of prunes, apricots, and walnuts as principal tree crops with vineyards, strawberries, mushrooms, and some additional row crops. This locality is also excellent for cattle and poultry raising. The surrounding range lands furnish pasture for thousands of beef cattle, dairy cows, hogs, sheep, and saddle horses.

In Morgan Hill you will also find modern shopping centers, one airport, one public library, one newspaper, two banks, several medical buildings, small industries, ten churches, and recreational centers.

Educational facilities include seven elementary schools, one parochial school, one high school, and within a forty mile radius are Stanford University, Santa Clara University, San Jose State College, San Jose City College, Hartnell Junior College, and Gavilan Junior College.

With this introductory background you are now ready to start your exciting reading adventure. So relax--moisten your index finger--and casually turn the pages of your 1965 La Encina. Let your eyes feast on the highlights of the school year just gone by. Here, then, is our community and our school. Get set --- Go!

The Live Oak High School District, located in the southern end of Santa Clara County, includes 296 square miles or 22% of the county. The high school open campus occupies 24.5 acres in the center of Morgan Hill with an assessed valuation of $33,728,170.00 and a capacity enrollment for 950 students. Most of the 850 students are transported by six buses, arriving at 8:15 and departing at 3:25 daily.

There are 29 classrooms with one library housing approximately 5,000 volumes, 125 periodicals with 16 tables to seat 65 students. The personnel staff includes 44 certificated and 20 noncertificated. In addition to the educational and recreational facilities the students also have for their convenience one snack bar and one student store for the purchase of candy or school supplies.

OUR DEDICATION

JOHN P. LEMENE
B.S., Ball State Teachers College
M.S., Indiana University

The 1965 La Encina staff feels that this year's dedication of the La Encina is special! It affords an opportunity for the school to thank a man whose persistent hard work has made the La Encina possible.

A lively and memorable record of the school's activities has been recorded in the yearbooks for the last eight years under the direction of this educator. Through his efforts and professional photography this master has captured thousands of important student experiences. No educator could show a more dedicated awareness of his students and work than by enthusiastically pursuing and promoting such goals.

But there's more--In his English classroom this man has contributed to student academic progress. For fifteen years he has diligently encouraged the students to cultivate the ability to appreciate, learn, and understand other writers' ideas and to communicate their own, thus making the subject of English a challenge and an inspiration to all of us.

CONGRATULATIONS, MR. LEMENE

LIVE OAK
HIGH SCHOOL

DR. H. M. NICHOLSON
B.A., Stanford University
Ed.M., University of Oregon
Ed.D., Stanford University

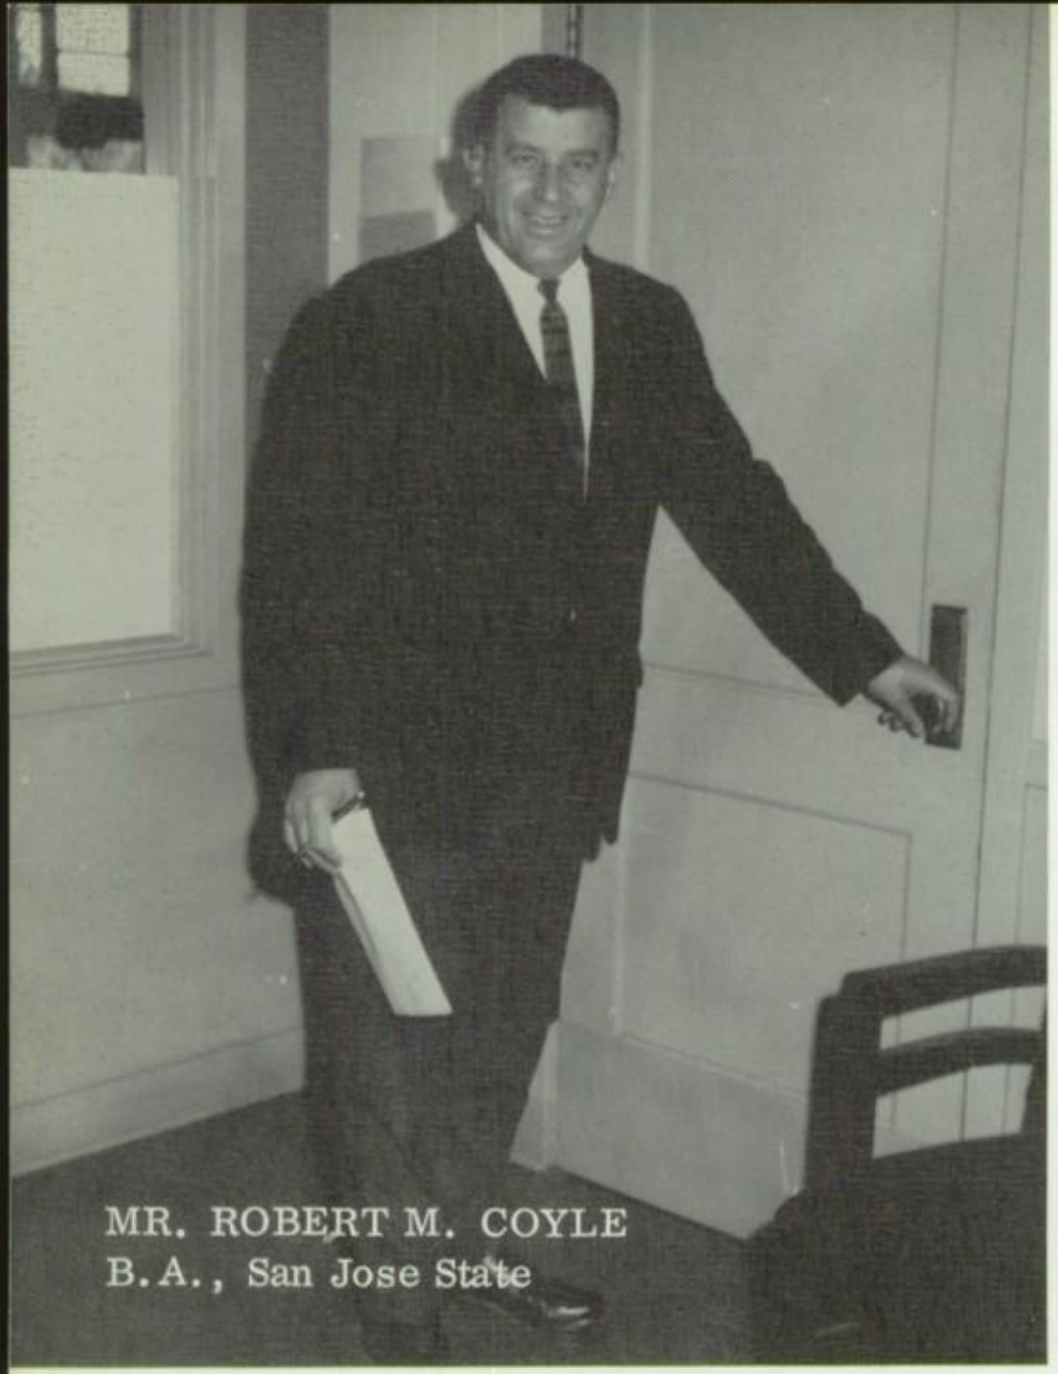
LIVE OAK HIGH SCHOOL is located in the largest high school district of Santa Clara County. The growth of the high school from 11 students in 1904 to the highest enrollment of 856 during this year shows a slow but gradual increase in student population. While for several decades Live Oak has been the smallest high school in the county, many projections show that this district now stands on the threshold of rapid growth and change. Various planning agencies project a population increase for this district which will require 15 to 20 high schools in the next 15 years.

The school and community have and continue to work harmoniously together to provide a good educational program for their high school youth. This year the Board of Trustees asked the people of the district for a new site on which to expand the educational facilities and the voters approved this by a good margin. The Board and I realize that this is just the beginning of extensive changes which are about to occur in our total community.

Our graduates will be taking a place in the adult community and they must seriously assume the responsibilities of adulthood. Cooperation between the public and local governmental agencies, such as a school district, become more important each year. Severe problems usually accompany rapid population growth and greater understanding and cooperation is thus needed between governmental agencies and the public they serve.

Your responsibilities have been clearly pointed out to you and I am sure you understand them. I trust that you will meet these responsibilities maturely and perform the accompanying incumbent duties well.

H. M. Nicholson



MR. ROBERT M. COYLE
B.A., San Jose State

PRINCIPAL

Students should cherish their freedom deeply. I am taking this opportunity to remind you that intellect will have much to do with the preservation of this wonderful word called freedom, that we still are fortunate enough to possess in our country.

Students should take advantage of all educational opportunities to the maximum of their individual abilities. In this way you will do several things--you will be greatly stimulated mentally; you will be financially successful; and as a result, you will not be denied your freedoms that were given to you by your American ancestors.

Robert M. Coyle

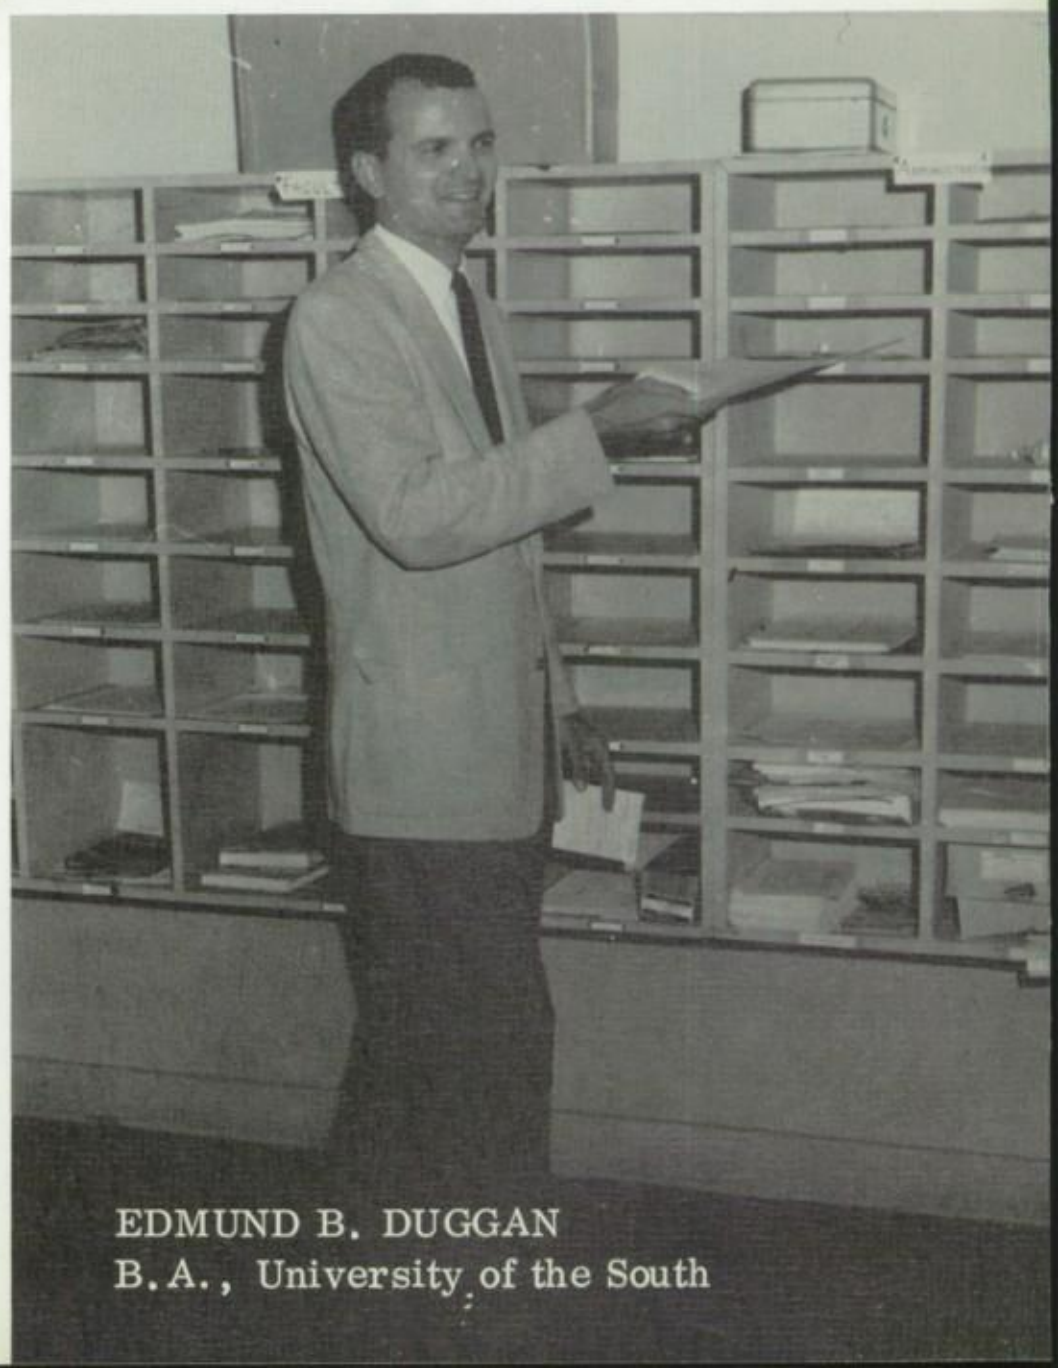
VICE PRINCIPAL

A high school is composed of many things, but they all evolve around the students. He is the justification for all school activity - whether it be extracurricular, academic, or social - whether it be in class, on a bus, or on the playing field - whether it be for the new freshmen or the graduating senior. At the keystone of the school program is the individual student.

In these times of great scientific advancement we sometimes fail to appreciate the potential that is in the mind of each student. Atoms, poetry, football formations, and homemaking recipes did not just appear - they were conceived in the minds of man.

It is the function of the school to stimulate and develop this potential in each student so that he may achieve his life's fullfillment. The educational team is directed at each student and through the numerous school programs. It is hoped that each student will find his life's fullfillment with an education which was nourished by his years at Live Oak.

Edmund B. Duggan

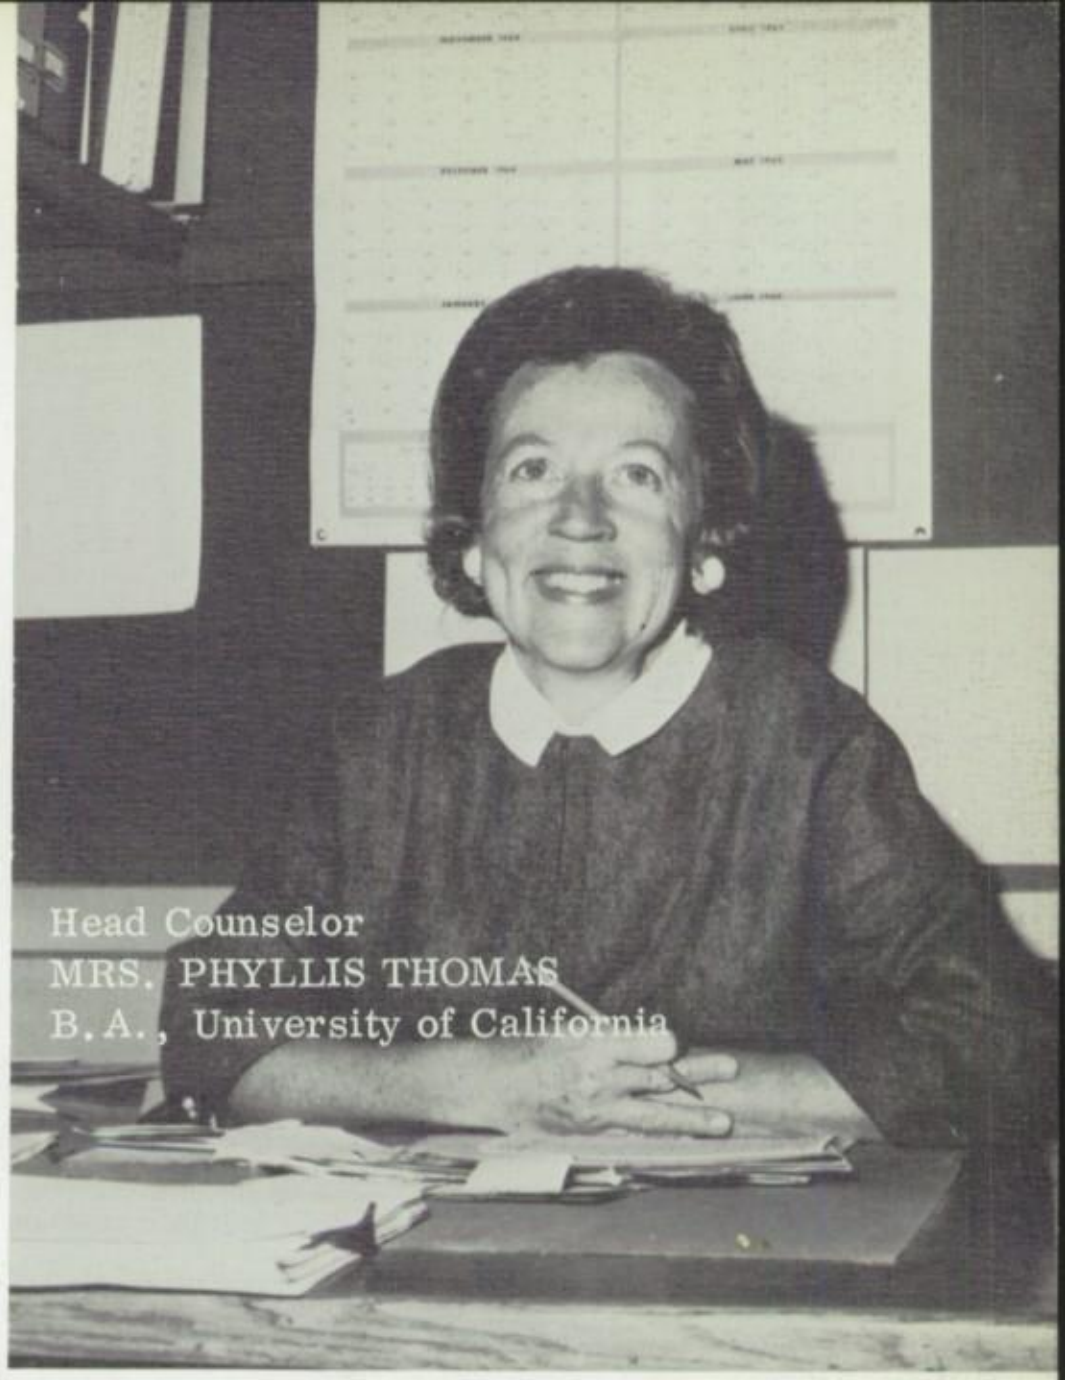


EDMUND B. DUGGAN
B.A., University of the South

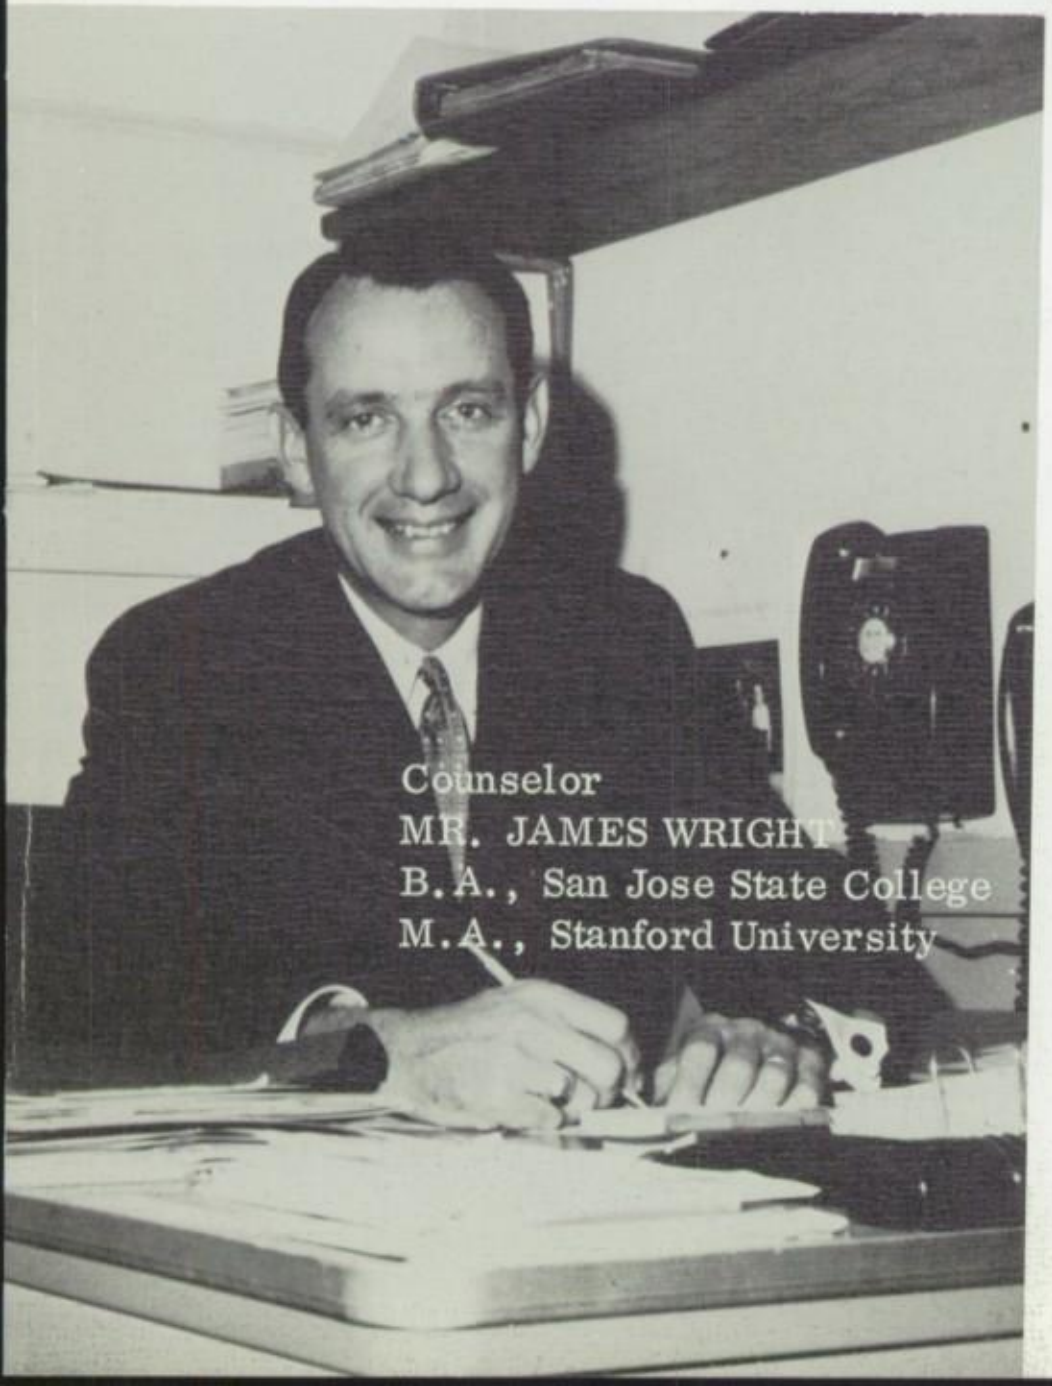
The work of the counselor is very challenging. Guidance in schools is an American phenomenon. No other country in the world devotes so much attention to the student as an individual - assisting him in the decisions he must make as he grows up. Counseling is also assisting students to understand themselves and to answer the big "What shall I do?" So counseling is a process not to change a person, but enable him to utilize all his talents and help him set his goals.

Our work world is changing so fast that the need of keeping up-to-date is very great. The counselor is unique in being a resourceful person who works with students, teachers, and parents. The challenge ahead is to give all the students the best that we can offer.

Phyllis Thomas



Head Counselor
MRS. PHYLLIS THOMAS
B.A., University of California



Counselor
MR. JAMES WRIGHT
B.A., San Jose State College
M.A., Stanford University

Students in high school have many decisions to make and problems to solve. An important function of the guidance program is to help students make decisions and solve problems. Good counseling also requires that the counselor know his students. Periodic interviews are scheduled to accomplish this end. During these conferences, the student's program and future plans are reviewed and evaluated. The counseling staff concerns itself with bringing career information to the students and has a large library of vocational material that is available to the students for study.

Our English - Language Program

Language is the prime tool by which human beings communicate with one another. The goal of the English class and the English teacher is to bring about improved communication between human beings. "Grammar," "literature," and other activities must be evaluated in the light of their contribution to improving this supreme process. Lucid self expression and the comprehension of the other person's expressions are the two main facets of the communication process.

The Audio-lingual method of teaching Foreign Language, which makes extensive use of records at home and the language lab at school, has been extended to the third year in German and the second year in Spanish. This method is designed to make the student fluent in the language so that it will be useful to the student and not merely an educational "ornament."

Our Math Program

The aim of the Math Department is to present the fundamental ideas and applications of mathematics in such a way that they can be clearly understood and effectively used. Courses in Basic Arithmetic, General Math, Business Arithmetic, and College Math are offered.

We hope these courses will lead the students to a better understanding of the basic concepts and structure of mathematics and provide a firm foundation for understanding and use of mathematics in a scientific society.

Our Science Program

The Science Department offers a four year program - General Science, BSCS Biology, Chem Study Chemistry, and PSSC Physics.

General Science is a survey course to introduce Freshmen to the many opportunities and interesting areas of sciences. BSCS Biology is based on experimental work to cover biological principles in depth. Chem Study Chemistry and PSSC Physics bring students up to date on developments in Chemistry and Physics.

The student's experiences in experimental work allow them to see what science is and actually does instead of just reading about science. The stress is to show students that we uncover more questions about the world we live in as we attempt to solve scientific problems.

An educated citizen in our society must understand basic scientific principles to understand the vast changes that are taking place in the modern world.

Our Social Science Program

World History, U. S. History, and Senior Problems are required courses in secondary schools. For its own well-being, a free society must keep open the path of free inquiry and develop in its future citizens those habits of study which result in responsible commitments in thought and action. Conducted as an inquiry, the social studies can be expected to develop the ability of pupils to make well-rounded judgements. Concepts, generalizations, and doctrines which pupils encounter will be subjected to questioning. Reasons for their acceptance or rejection will be reviewed, their application investigated and their implications explored.

Ideally each pupil who completes the program should understand the basic principles upon which his nation functions and should be motivated to support these principles actively as a patriotic, participating citizen.

Participants:
Victor Ramirez and Jeanne Hornall

STATE HONOR BAND FESTIVAL
Held at Monterey, California

Participants:
Jeanne Hornall-oboe
George Thomas-trombone

LION'S CLUB STUDENT SPEAKERS CONTEST

The topic for the year was, "Maturity-It's Privileges and Responsibilities"

Participants:
Virginia Roldon-Morgan Hill
Janet Day-San Martin

BANK OF AMERICA AWARDS

These students are first nominated by any member of the faculty who wishes to make a recommendation for the awards, and the final decision is made by the Faculty Scholarship Committee.

CALIFORNIA STATE SCHOLARSHIPS

Applicants for these scholarships must first submit their Scholastic Aptitude Test scores. Through an elimination process, based on performance in this test, the Semi-Finalists are selected. These students must then submit a transcript of their grades as well as a Parent's Confidential Statement, which determine the selection of the finalists.

COUNCIL

The Student Council is the governing body of the Associated Student Body of Live Oak. The council meets every Tuesday during fourth period and any interested person may attend the meetings.

The main objective of the council is to govern the student body, making any changes or additions to the existing legislation which will better the school. This year the council has made one very important change through which it hopes that the students will become more active and interested in student government. This change is the creation of a student activities center, where students with ideas for legislation or student body activities can submit their ideas to be considered by the Student Council. Combining both the student activities center and the direct representation of the students through the representatives at large, the Student Council promotes democratic principals in student government.

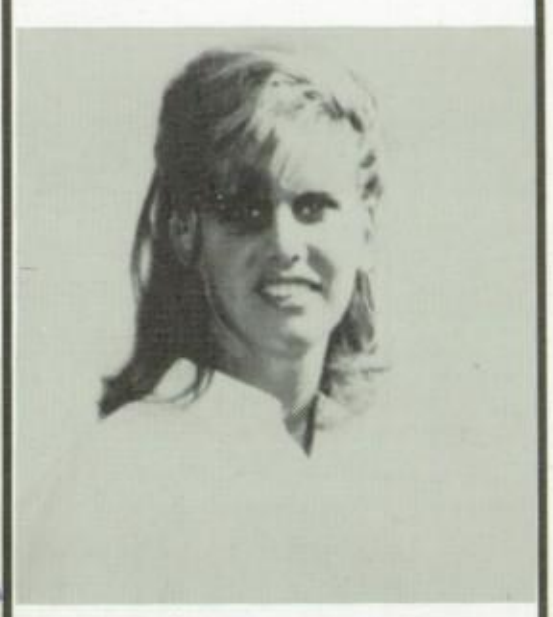
The Oak Leaf

FEATURE WRITER Nanci Castle is a winsome Miss with a knack for extracting newsy bits from those--especially boys--she interviews. She always comes back with a story.

SHORT and SNAPPY are the items reported--or dreamed up--by cautious Carla Lauver. This Miss sleeps with pen and paper handy and always gets to the deadline on time.

CLIPBOARD MARY ROBERTSON is the Dorothy Kilgallen of the Oak Leaf staff, knows more about what is going on than Mr. Duggan--and is willing to write about most of it.

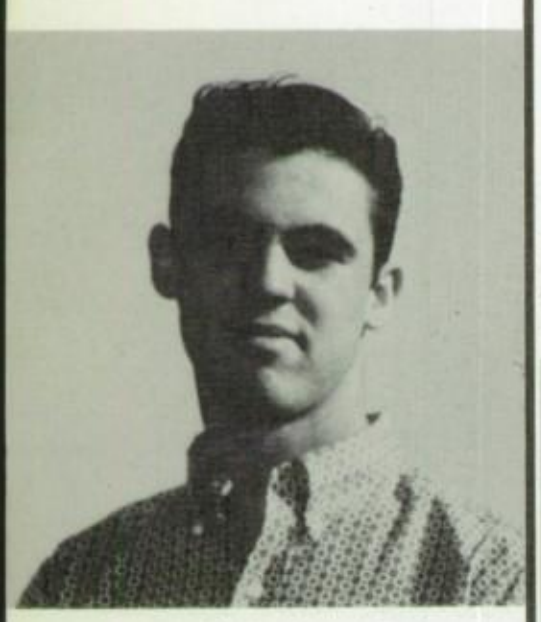
VERY PERSISTENT describes Mary Ann Johnson who hasn't yet found a news nut--even an Acorn--she cannot crack. Her big feat --getting Mr. Coyle to stop for an interview.



CIRCULATION CONSCIOUS tells the story of the Circulation Manager, Kay Wojohn, who knows that papers must be delivered before they are read. She has more than forty schools on her exchange list this year.

DO IT NOW is the watchword of Editor Tom Nelson, the Simon Legree of the Oak Leaf. The staff doesn't complain because Tom sets a fine example with lots of well -written copy.

ADVISOR Mr. Thomas J. Barry "retired" to English and Journalism teaching because of the short days and long vacations after many years of newspaper as a reporter, editor and publisher, plus eight years on the faculty at the University of Notre Dame. He has taught in the English Department at Live Oak since 1957, conducts the Journalism class and serves as advisor to the Oak Leaf staff.



SOBER SENIOR Tom Turney, Class of '65, is the "Old Man" of the staff. He handles all police news and foreign copy. We haven't been sued yet.

WORLD AFFAIRS

The World Affairs club is one of the most active clubs at Live Oak. This year their activities have included: the United Nations display in honor of UN week; the annual trip to Asilomar for the conference on Human Rights, and sponsoring the delegates to the high school Model UN held at the University of California, at Berkley. At the Model UN each school represents a country. The sessions which are held are modeled after the real United Nations. Live Oak this year represented Belgium.

The American Field Service is an organization for the betterment of international human relations. It was founded on the idea that all people possess attributes and aptitudes exactly alike. To prove their point, the AFS makes it possible for thousands of students, both American and foreign, to exchange countries for one school year.

This organization is dedicated to better understanding of the people of the world through actual living together.

AFS International Dinner Nov. 14.

SUS SPERLING
Student from Maribo, Denmark

In 1961 Steffen Sperling, Sus' older brother, came as our AFS student from Maribo, Denmark to the Tichinin family. The success of this happy stay prompted the two families to exchange other members of their families. So Mr. and Mrs. W. Pagh Sperling made arrangements with the Tichinins to have Sus Sperling reside with them this year. In the near future the Tichinins plan to send Paul to Denmark to stay for a year and attend Maribo Gymnasium.

Sus boarded the Seven Seas and arrived in New York City July 20. She was then flown to San Francisco where she was greeted by the Tichinins - Leon, June, Bruce, Paul, Anne, Phyllis, Nicky, and Peter. Her stay has been definitely beneficial educationally and socially. We can be thankful for the efforts of the AFS program which makes these acquaintances possible.

Sadie Hawkins Dance

MARGO SOARES
AMERICAN FIELD SERVICE EXCHANGE STUDENT
Our AFS Student to Concepcion, Chile

At 11:45 a.m. February 24, 1965, Margo left San Francisco by United Airlines for New York City where she spent the night at AFS Headquarters. At 6:00 p.m. February 25, Argentine Airlines flew her to Buenos Aires, stopping at Trinidad, Rio de Janeiro and finally Santiago for short visits. On February 27, she took the eight-hour bus ride from Santiago to Concepcion, Chile, where she was greeted by her Chilian family, Dr. and Mrs. Idelfonso Garreton Unda, two sisters, Gabriela and Gloria, and her brother Jorge.

For the next two weeks Margo had the opportunity to make many new acquaintances, see portions of the country and strengthen her use of Spanish before enrolling in her new high school, Collegio Concepcion, March 18. When Margo returns in February 1966, she plans to enroll in University of California at Santa Barbara to major in foreign language.

Football Spectators

META BOLDINGH
Our AFS Student from Oosterwolde, Netherlands

On August 5, 1964 Meta sailed the Seven Seas from Rotterdam, Holland, arriving in New York City August 15. Continental Railways Bus Lines then transported her in three days to Morgan Hill where she was greeted by her American family, Mr. and Mrs. John Moreno, Glen, Kim, and Candy. Meta left behind for one year her father, Johan Boldingh, a trade school principal, her mother, Ans Boldingh-de Klerk and her thirteen year old brother, Eric.

During the school year our foreign exchange student has been highly active participating in school and civic functions. Much of her time in addition to study was occupied in meeting Americans and our way of life. Meta was most pleased and impressed with our school and our community. The students were pleased and impressed with her interests, contributions, efforts, and willingness to help others. Undoubtedly, this has been a real challenge and rich learning experience for Meta as well as the Student Body and citizens of Morgan Hill. We will all miss her when she returns to Holland this July where she plans to continue her education by attending the Kweekschool to become an elementary school teacher.

The California Scholarship Federation

The California Scholarship Federation is an academic organization to foster high standards of scholarship service and citizenship.

Full membership is granted to Sophomores, Juniors, and Seniors who earn 10 points per semester. Freshmen are granted associate membership for earning 10 points.

Life membership in CSF is one of the highest academic honors granted to high school students in California. To gain life membership, a student must belong to CSF four of the last six semesters of high school. One of the semesters must be in the Senior year.

A life member has the CSF seal on his diploma and is eligible for CSF life-membership scholarships all over the nation.

National Honor Society

Students are selected for this organization on Character, Leadership and Scholarship. It is the highest Scholastic organization in the United States, and is a national organization.

This year they sent $50 for flood relief taken from the Christmas Program. And 70 grade school children were taken to see a play at San Jose State for their cultural betterment. This year the members took trips also to raise their and the community cultural level. They also set up a Tutoring Program in conjunction with CSF.

The new members this year are Candy Moreno, a Junior; Bill McClintock, a Sophomore; and Fred Borns, a Sophomore.

FIRST ROW: Victor Ramirez, Glen Stephenson. SECOND ROW: Marilyn Hazz, Janet Sergi, Jeanne Hornall, Nancy Rosa, Mrs. Gilbertson, Advisor.

BLOCK L O

BLOCK L O ACTIVITIES

Following the election of officers, over twenty Block L O members volunteered in various capacities to help the 1964 Christmas Basketball Tournament, Dec. 17-19, become the most successful yet.

Proposed additional activities include: A Block L O Dance, a trip to a special athletic event, a school service project, and the annual Block L O picnic.

Since all boys having earned an athletic award are eligible, Mr. Thornton, Advisor, urges all boys to join and contribute to the growing success of the athletic organization.

LEFT TO RIGHT: Richard Garcia, Sergeant at Arms; George Guglielmo, Secretary; Ed Nishihara, Treasurer; John Biechman, President; Pat Bronner, Vice President.

FFA NINTH ANNUAL PARENT AND SON BANQUET

The Future Farmers of America Organization is composed of boys studying the science of Agriculture at the High School level. While membership is not required of the boy who studies agricultural science, it is strongly urged that the agricultural science student join the FFA. The organization's chief objective is to develop leadership. This is done through many activities, such as officer's training schools; conducting business meetings; studying and practicing parliamentary law; participating in livestock judging and soil judging contests and giving reasons for decisions; participation in fairs and shows; participation in regional, state, and national FFA conventions; and by the giving of oral reports on some agricultural topic each six weeks.

Complete revision of the FFA is presently being undertaken and it seems likely that in the future girls will be permitted as members.

As happens annually in the month of February, the local chapter held its Parent and Son Banquet February 25. Always in honor of the parents, this activity also pays respect to the teachers administration and school board of Live Oak High School. Others who have been helpful to the local chapter are recognized and among these are the nearly thirty honorary adult members; the trophy donors and the purchasers of livestock raised by our members and offered at auction at the Santa Clara County Fair.

Exceptional accomplishments of members for the past year were recognized at the banquet. Five boys who competed in project competition, county-wide, were recognized by Wells Fargo Bank and presented with gold certificate awards. These were, Richard Auser, Steve Biechman, Bob Foxen, Willie Silva and Richard Willard.

Superior Motor Company trophies, made possible by Tom Tacci, were awarded to Bob Foxen for best beef project; to Steve Biechman for best sheep project; to Dave Bentley for best swine project.

Best dairy project trophy was awarded to Richard Willard by Pat Berry who acted for Pacific Growers Co-Op, the donor.

Three persons were taken into the chapter as honorary members because of their helpfulness to our chapter. The ones so honored were Mrs. Dixie Foxen, Jess Willard and Roy Hulbert.

Mr. Hernandez, Bank of America, presented John Barrett with the California Banker's Certificate which recognizes leadership. John also received the President's Trophy which is annually awarded by the Harvey Barrett Insurance Agency.

Mr. Yerian awarded the sweepstakes trophy in farm mechanics, sponsored by Squeri Hardware, to the chapter. Steve Knepper and Frank Rael also received the instructor's trophy in farm mechanics.

National FFA foundation awards were presented by Mr. Heinze to: Phil Messina, as star chapter greenhand; Willie Silva, as star chapter farmer; Bob Cheadle, in forestry; Steve Knepper, in crop production; Bob Foxen, in livestock production; and Richard Willard in dairy production.

Other awards made by Mr. Heinze were a plaque for first place in county competition in the Co-Op Quiz Contest; a plaque for first place in county competition in parliamentary competition; sweepstake trophy in herdsmanship at the County Fair; trophy for best five market lambs at the County Fair; trophy to Frank Rael for first place in swine showmanship; to Mark Bernal for first place in dairy showmanship; to Joe Lo Monaco for champion beef; and for the champion fat lamb.

Special recognition was given to the Chapter Sweetheart, Helen Martin, at the banquet. She was presented with an FFA Sweetheart jacket and bracelet.

Date - April 2nd & 3rd.

This comedy is centered around a summer cottage at Lake Okeechovee. Claudia, the older Collins's daughter, returns from college with a phoney Poet who belongs to an Insurance fraud gang. The leader, Mrs. Cavendish, who claims a fortune in wealth, charges Tony Foster with stealing her false Ming vase. The plot is broken by the Sheriff who recognizes the crooks and Tony is cleared of the charges.

Act #2 Mrs. Cavendish has Tony Foster arrested.

Act #3 Craven's poetry recital.

Act #1 Tony Foster slugs Craven Bentley.

Live Oak Marching Band

The Live Oak Band presents its marching unit at every home football game. Lending spirit and "pep" music to the game, the band also converges onto the field at halftime for a musical show, including a story, a narrator, and formations with music to fit the occasion. Under the leadership of the drum major, Jimmy Yinger, and with the assistance of two capable narrators, Mrs. Gilbertson and Mr. Morgan, the 1964 football band season was a huge success, enjoyed by all spectators and the bandsmen themselves.

MANAGER NOT SHOWN: Mike Stockham.

JV'S WORK HARD

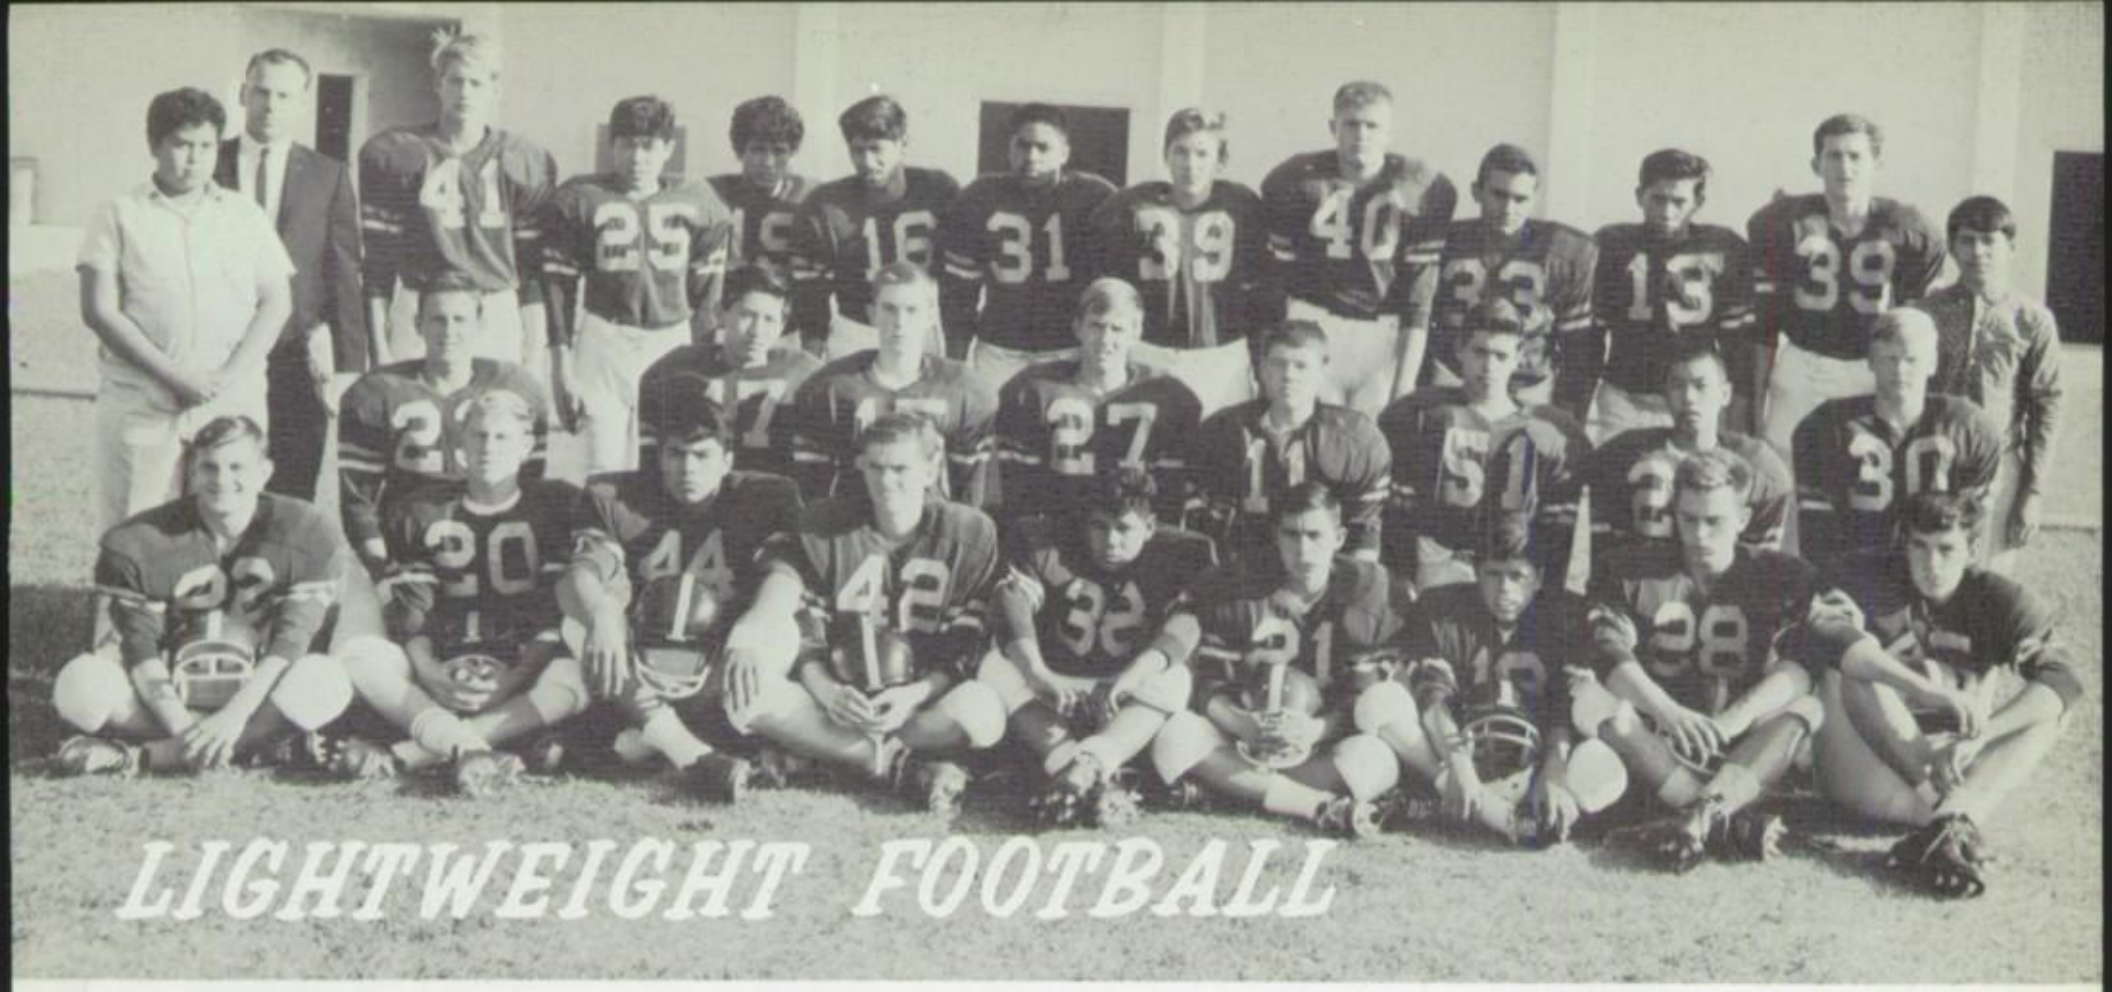
Starting in 1962, the Junior Varsity Football Team started to move. Ending up the '62 season with a 2 win-2 tie-and 5 loss record, the junior varsity has improved their record each year.

With this winning tradition in mind, the Jayvees started the season with a win over Palma. Losing the following week to a powerful team from Seaside, the Jayvees stormed back with a win over Hollister. (This had never been done before.) After losing to Gilroy and King City, the Jayvees knew that they had to win the remaining games to improve their record. With this in mind, they did win all the rest, except for a tie with the Carmel team. This strong ending enabled the Jayvees to end the season with a 5-1-3 record.

To improve this record the Jayvees will have to win the Championship in 1965. What about it, Jayvees?

This mighty team was coached by Coaches John Livergood and Jack Tood.

Gary Nakao was elected by the team as Most Valuable Player while Bob Auser and Gene Guglielmo were elected Co-Captains.



LIGHTWEIGHT FOOTBALL

FIRST ROW: M. Kobe, B. Roush, B. Gomez, F. Dedmon, L. Christobal, F. Ormsby, B. Akino, R. Allen, R. Adam. SECOND ROW: Manager J. Casares, L. Sherrod, B. Yakinari, B. Riley, S. Ames, J. Johnson, M. Lico, G. Tsutsumi, V. Woods. THIRD ROW: Coach Friebel, G. Mussolino, L. Tavarez, P. Leyva, E. Navarro, M. Tarin, F. Combie, D. Popma, R. Chiala, A. Alfaro, J. Minton, Manager H. Martinez.

LIGHTWEIGHT'S WORK JUST AS HARD

This was the most fruitful year for a Live Oak Lightweight Football Team. With two wins, three losses and one tie, and with more size, both in size per man and in number, football seems to be on the upswing. One loss was by one point and the other two were by six points. The Lightweight team scored in all but one game during the season. Ray Allen led the team in total yards gained while Mark Kobe led in touchdowns. Ray was also elected Most Valuable Player. Leader on defense and elected as Team Captain was Frank Dedmon.

Coaches Paul Friebel and Duane Asplund concluded a very successful season.

BASKETBALL

MISSION TRAIL ATHLETIC LEAGUE CHAMPIONS

Coach Duane Asplund

Champions of their own league for the first time in a decade, Live Oak high school of Morgan Hill looked forward to participating in the annual Tournament of Champions at Stanford in March.

Coach Duane Asplund's charges dominated the 1964-1965 Mission Trail League with double triumphs over Hollister, Gilroy, Pacific Grove, Gonzales, and Carmel along with splitting decisions against San Lorenzo Valley and King City.

Overall the Acorns won 17 games while losing only four. Significantly the Asplundmen dropped close contests to two Santa Clara titlists Blackford, West Valley Winner and Fremont, co-holder with Sunnyvale of the North Valley Crown.

Coach Asplund, a University of California at Berkeley star in the middle 1950's built a championship team around his one returning regular from his 1963-1964 club, sophomore center Paul Scheidegger. The 6'5" pivot man finished as the team's high scorer besides dominating both boards in the great majority of games. Remaining regulars include Captain Joaquin Robledo, forward; Richard Mungary, Phil Alberti, and Ray Robledo, who alternated at the two guard posts and junior forward, Jeff McGrew.

The twin triumph over arch rival Gilroy including the distinction of snapping the 61 game Gilroy league winning streak gave Live Oak players, coaches, and fans the most satisfaction next to annexing the loop title. The Asplundmen also performed brilliantly in the annual Christmas Tournament when they battled their way into the championship contest to give Fremont, a much taller team, fits before losing a close 50 to 44 decision.

Coach Asplund is in his third year as head basketball coach. Concluding one of its most successful seasons in recent years, Live Oak's basketball teams wound up in a final blaze of glory by placing two players each on the all Mission Trail League teams. After balloting Monday evening, March 1, league coaches and sports writers named Paul Scheidegger and Joaquin Robledo to the first team, the former at center, the latter at forward. At the lightweight divisional level the Acorns placed Al Alciati at a forward post and David Robledo at a guard position.

Scheidegger, a sophomore, and Captain Robledo, a senior, were key players in the total Live Oak team effort. Robledo, a deft left-handed shooter, provided inspirational leadership and was especially deadly from the foul line.

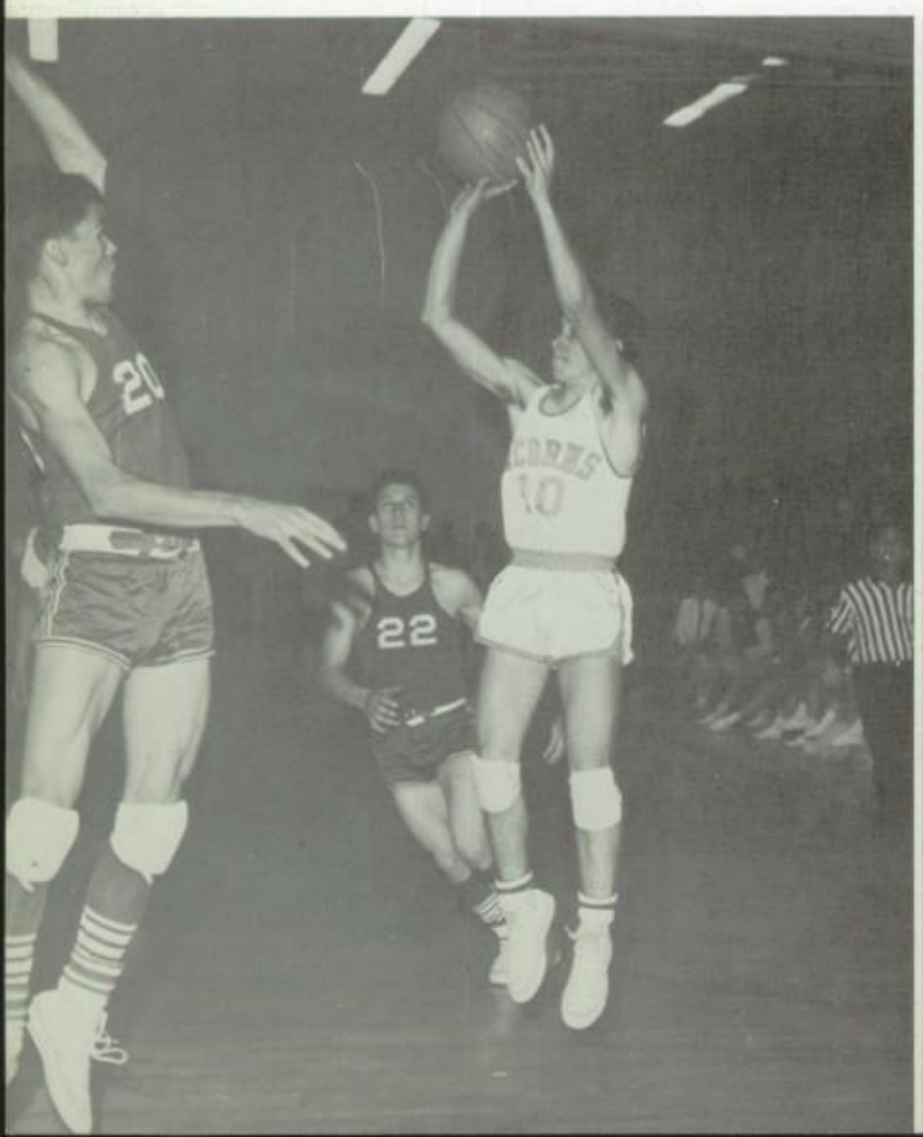
LIGHTWEIGHTS

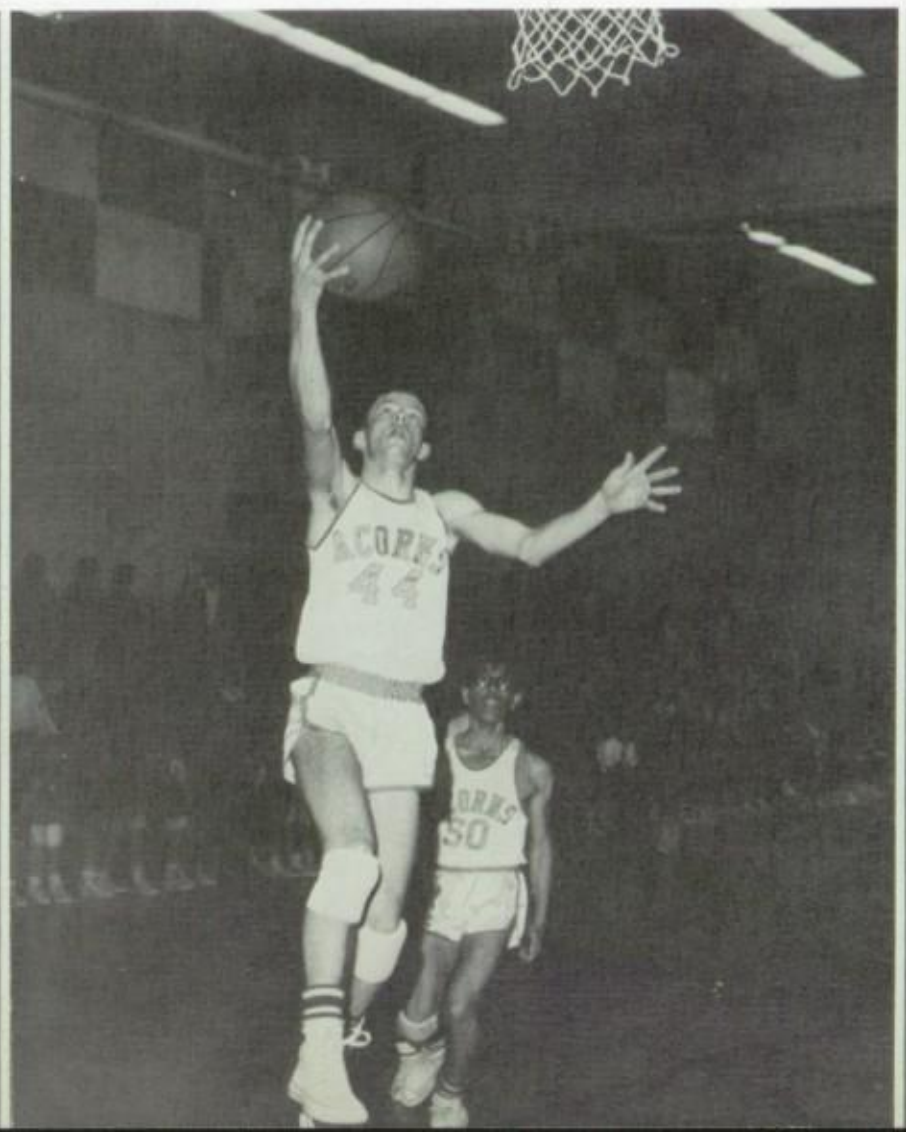
FIRST ROW: E. Smith, B. Akino, B. Alberti, H. Gracia, A. Alciati, A. Masuda. SECOND ROW: D. Robledo, R. Cantu, G. Estrada, Coach Vellado; E. Mammini, S. Beach, G. Nakao.

FUTURE MISSION TRAIL ATHLETIC LEAGUE CHAMPIONS

Live Oak Lightweight basketball continued to flourish in 1964-1965 as Coach Velladao's charges wound up with an overall Mission Trail record of 11 victories against three losses. Such a mark enabled the Velladaomen to tie San Lorenzo Valley for the runnerup spot behind the championship Gilroy team.

The baby Acorns placed two players on the all league team, forward Al Alciati and guard David Robledo. Other outstanding performers include Emmett Smith, Larry Masuda, Gene Mamini, and Bob Sullivan.





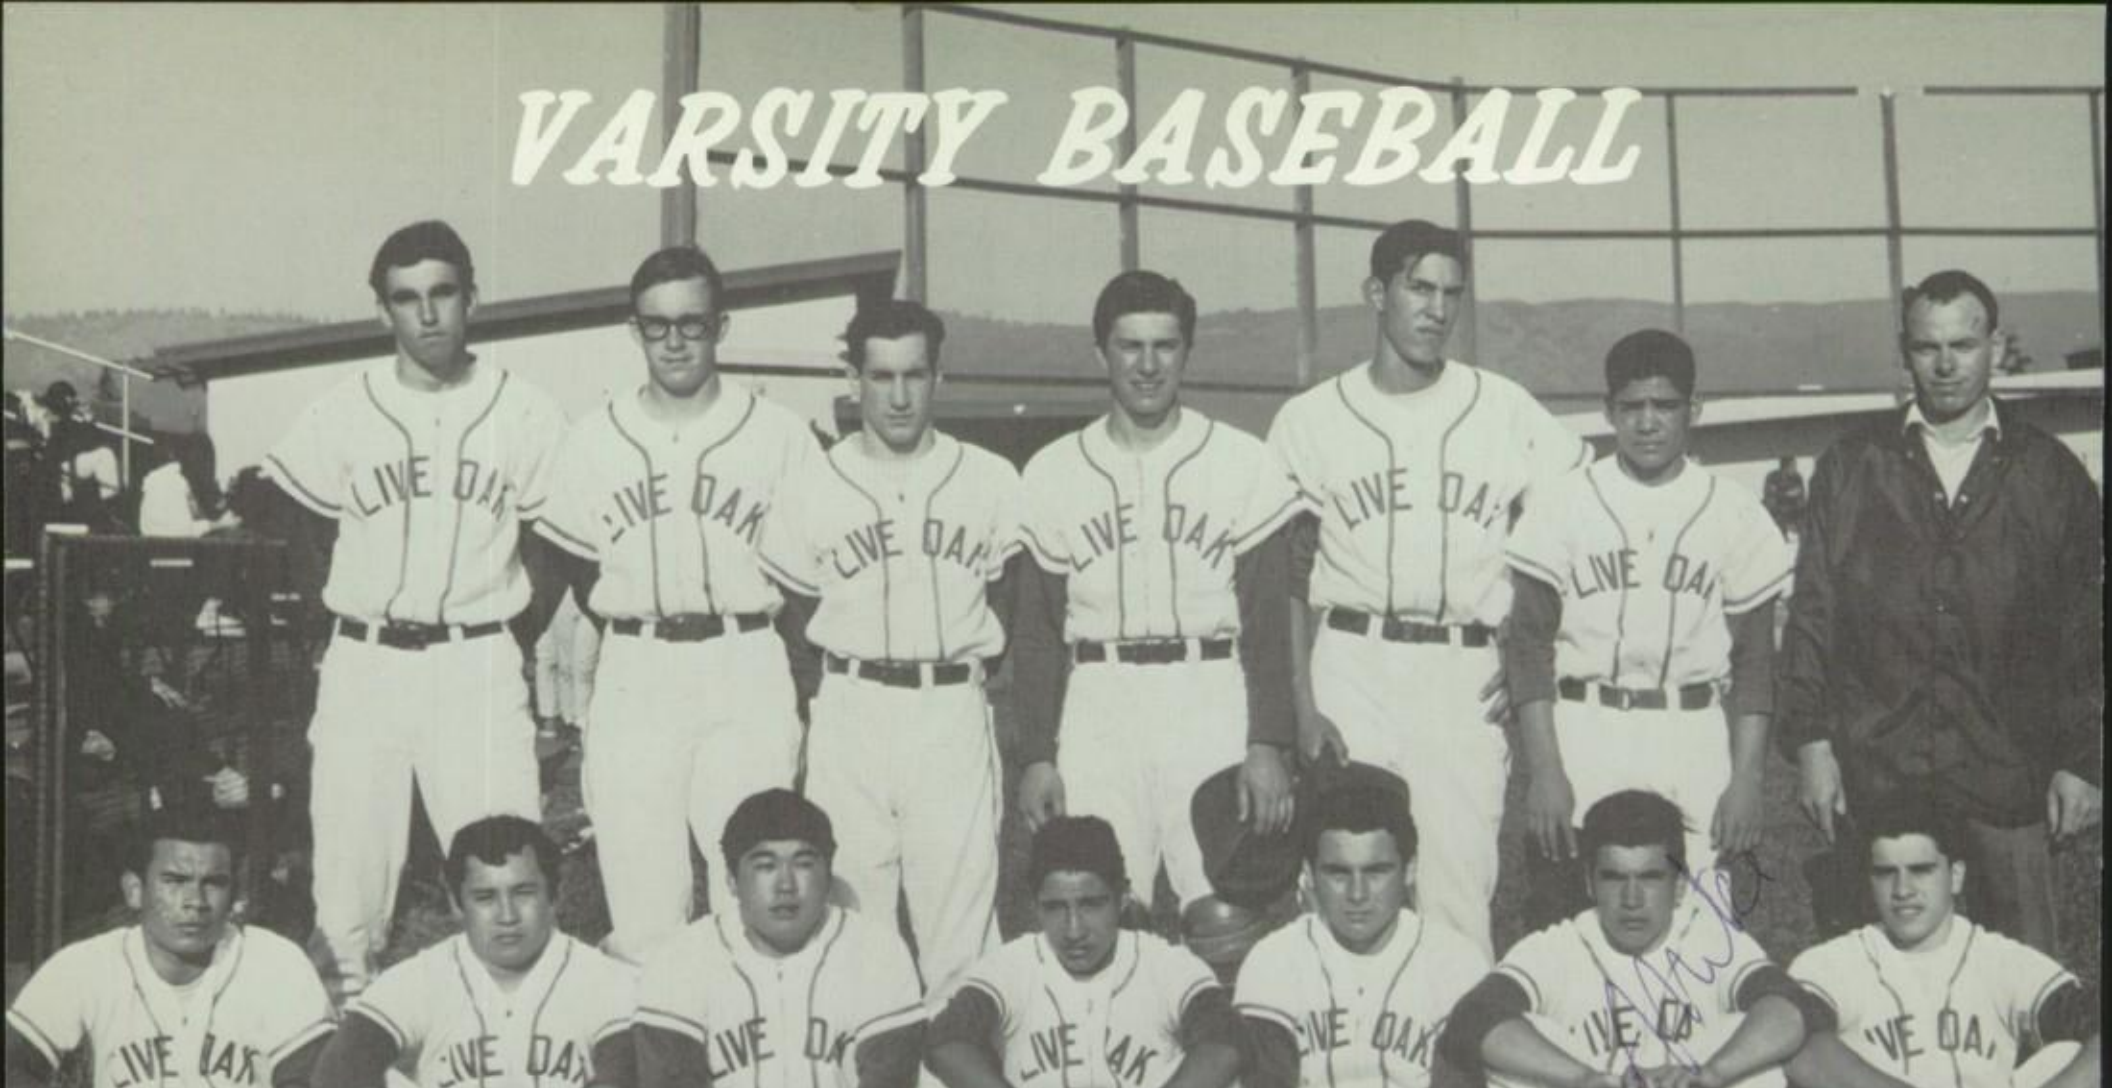
JUNIOR VARSITY

FIRST ROW: D. Riley, W. Wetter, S. Lopez, R. Hulbert, Coach Meyer; J. Minton, T. Thorpe, J. Valenzuela, R. Chiala.

UPCOMING VARSITY POTENTIAL

Coach Philip Meyer's Junior Varsity did another outstanding job of developing future varsity players. The Meyermen won seven games and lost seven in league play. With two years of Junior Varsity experience behind them, Steve Lopez, Tom Thorpe, Wayne Wetter, and Jerry Valenzuela are expected to strengthen the Varsity the following two years.

VARSITY BASEBALL



FIRST ROW: C. Corona, D. Ordiniza, E. Nishihara, H. Gracia, J. Valenzuela, M. Gualtieri, A. Alciati. SECOND ROW: E. Borgnino, T. Buchan, M. Leonti, D. Alciati, B. Foxen, J. Saldate, Coach Friebel.

1964 - 65 MISSION TRAIL ATHLETIC LEAGUE

CROSS COUNTRY CHAMPIONS

On a cold and rainy November 12, at Hartnell College, Fortino Diaz paced a strong team effort for Live Oak to win the Mission Trail Athletic League Cross-Country Championship. The Cross-Country teams run approximately two-miles over diversified courses in which the Live Oak course is probably the most challenging. With many members returning, plus undefeated dual meets, next year's outlook is very outstanding.

Top varsity Cross-Country runners include: Fortino Diaz, Larry Ruiz, Richard Castro, Craig Silman, Richard Rael, Henry Gracia, and Vince Vallez. Junior varsity members are: Ben Lopez, Dan Sandoval, Jessie Gracia, Frank Mejia, Pete Mejia, Wayne Wetter and Joe Librers. Most Valuable Player was Fortino Diaz, while Larry Ruiz and Frank Mejia were co-captains. Manager was Martin Mercado.

SCHEDULE

Oct. 1 - Center meet at Hollister
Oct. 8 - L.O., Pacific Grove at King City
Oct. 15 - Overfelt, Hollister, Pacific Grove, Robert Louis Stevenson at Live Oak
Oct. 17 - Invitational meet at Salinas
Oct. 22 - Westmont L.O., Overfelt at Alum Rock Park
Oct. 29 - L.O., Carmel at Hollister
Nov. 5 - Hollister, King City, Overfelt, Robert Louis Stevenson at Live Oak
Nov. 12 - MTAL Meet at Hartnell
Nov. 19 - Division II NCS at Palo Alto

CHAMPIONSHIP TITLE AGAIN SOUGHT BY VARSITY

Despite the fact that graduation losses were very heavy, prospects for the 1965 Varsity swim season were bright. The Live Oak Varsity, defending MTAL champions, had 5 individual champions returning in Ken Link, Paul Tichinin-Seniors, Emmett Smith and Dave Gunter-Juniors, and Tom Tykol-Sophomore.

At the end of the first round of the double round-robin, the varsity had come out the victor in all the meets. Defeated also were such powerful non-league teams as R. L. Stevenson, North Salinas, Irvington, Buchser and Watsonville.

The second round and the championship meet are remaining but the outlook is good that the championship title will again belong to Live Oak.

SWIMMING			
March	6	March	31
March	10	April	7

LIGHTWEIGHT TEAM SHOW CHAMPIONSHIP POTENTIAL

Last year the lightweight team, even though inexperienced won the lightweight championship.

This year with the addition of some outstanding freshmen, led by Don Minami, the prospects to retain the lightweight title appear very possible.

Only non-league schools have defeated the lightweight team and at the beginning of the second round an undefeated league season looks certain.

GIRLS' SWIMMING TEAM

FIRST ROW: P. Gose, E. Bonino, S. Starns, S. Millar, V. Millar, L. Gunter, P. Tadlock, P. Yokai. SECOND ROW: Coach Thornton, C. Sylvain, A. Coates, C. Pedersen, C. Malm, N. Castle, D. Leverton, A. Tichinin, C. Nichols, V. Deacon. NOT SHOWN: J. Hornall, M. Soares, M. Hazz, M. Lico, M. Platt, C. Moreno, L. Roberts, C. Ratzlaff, S. Bradford, D. Deacon, M. Robertson, M. Galvan, S. Sperling.

Although capably led by co-captains J. Hornall and S. Millar, the girls swim team was able to win only one of four dual meets. They defeated Andrew Hill 78-33 while losing to Leigh 129-107, Cupertino 126-88, and Santa Catalina 114-85.

In addition to the dual meet schedule, L.O. placed 4th among six schools at the Samuel Ayer Invitational Meet, defeating Ayer and Lincoln.

After three highly successful seasons, the L.O. swimmers found it increasingly difficult to find competition which resulted in a decrease on practice time from 5 to 2 days per week in order to compete on a regular GAA schedule. Although the change seemed to affect the swimmers, the overall picture of the season was gratifying in two respects: one, this was the largest team to date, and two, individual performance surpassed all previous records.

GAA

The Girls' Athletic Association has grown to be a large organization mainly because of the many sports which its program offers: tennis, volleyball, baseball, hockey, and swimming.

The members of the GAA like to participate in every sport and they receive points for every sport in which they participate. These points are the means by which the girls win sports awards.

C. Sullivan, Point Rec. | W. Wood, Sec. | C. Beckenhauer, Vice Pres. | E. Bonino, Treas. | C. Nichols Pres.

OUR ACKNOWLEDGMENTS

The eucalyptus trees pictured on this page dramatically close the pages of our yearbook with the bend of Llagas Road symbolizing to us life as continuous, beautiful and challenging for those who venture forth. It has been interesting, exciting and educational for us working with photographs, layouts, copy, and deadlines for the 1965 La Encina. But without direction, enthusiasm and the help of certain people this story could not have been told. Thanks and appreciation are due to the following:

Our Merchants - the local advertisers who helped finance the book by placing their ad with us.

Tony Rose Studio - the San Jose photographers who took our group pictures and senior portraits.

R. Wallace Pischel, Inc. - the printing company in Pasco, Washington, who gathered our layouts, printed and bound our pages into 550 copies with Durand Custom Covers, designed and manufactured in Chicago, Illinois.

Mr. Bob Budde - the United Airline pilot who volunteered his private Piper J-3 Cub (65 horse) plane in October to take our advisor, Mr. Lemene, up to take the colored aerial view of our campus.

Mr. Dick Hazlett - the R. Wallace Pischel, Inc., representative who so generously contributed his services and advice.

Mr. John P. Lemene - the La Encina advisor who so patiently, energetically and understandingly worked with us photographing, directing and teaching.

And to all the many others who helped that we have not mentioned, we sincerely say, "THANK YOU!"

MR. JOHN P. LEMENE, Advisor

Mark,

To a really
sweet kid - Hope to see
you again this summer.

Love ya,
Pat Bridges

Mark -
it was really
fun this year on
the Omnibus I got
to know you alot
better. I'll see ya'
next year -

Have Fun

Mary Lou

Mark;

So a guy who did a real fantastic job with the lights last year, and this year you handled that "character with the white hair" amazingly. And a swell drummer at that!! Have fun this summer and cut out that cruising — I've seen you cruise — and you sure do love your little sister don't you — I saw you drag her 'round too.

Good Luck as a Jr.,

Rob

Mark
So sad
Sweet eyes, But
Cheek about it. Hope
to see you next year
Love ya
Rhonda

Vincent:

Spirit. You shared a lot of
I hope underneath that heard!
experiences the Cowan Grs. and
it's great to see! see ya it fast -

And thanks for your
patience!

Mark
Too bad your
weren't in Algebra
longer. We could've had
real fun. Shut up yourself.
Always
Sharon

Mark
You are a very
sweet and cute friend.
I'm glad I got a chance
to know you this year.
Your friend
Love
Sharon

Mark, neat
to see your
neat gift work.
See ya Sunday.
Grateful Dad

Mark,

You were really great in the Omnibus. See you next year and I hope you have a really neat summer. Keep reading Passion Flower Hotel

Bye

Jon

Mark—

It was fun being with you during the Omnibus. Start as sweet + as nice as you are—

Love ya,

Rickey Robertson
